

## Sailing/Cocktail Cruises

Ocean cruises are some of the most fun activities in Costa Rica. We went on the *Lazy Lizard Catamaran* and had a fun time – great crew, good music, and strong drinks! We saw a bunch of dolphins, some even diving right under the netting of the catamaran. They take you to an ok snorkel spot (someone saw a sea turtle, but we didn't) and catch blowfish for you. Snacks are served and you get to fish while watching the sunset on the way home. You can book them at any of the tour companies in town and check them out at [www.sailingcostarica.com](http://www.sailingcostarica.com)

*Blue Dolphin Catamaran* leaves out of Tamarindo and offers a variety of cruises. Book at the tour companies or for more info [www.sailbluedolphin.com](http://www.sailbluedolphin.com)

*Mandingo Sailing* offers sunset cruises out of Tamarindo on a 50 ft traditional sailboat. Book at tour companies or for more info [www.tamarindosailing.com](http://www.tamarindosailing.com)
