

## Spas

Tamarindo is home to a very highly acclaimed spa, *Los Altos de Eros*. This inn/spa will take day visitors, just contact them ahead of time at [www.losaltosdeeros.com](http://www.losaltosdeeros.com)

If you are looking for someone to come to you at the condo, contact Vandy Cher at 371-9977 or [vkprana@aol.com](mailto:vkprana@aol.com) She does everything from facials to massages.

There is also a spa located at the *Zullymar Hotel Plaza* on the "circle" (the end of Tamarindo's main street.) It has a wide selection of services and prices that are cheaper than the US.

On the beach by the Diria Hotel there are massage therapists that give massages right on the beach for reasonable rates.
