

Tour Companies

Costa Rica offers countless outdoor activities and it is very easy to book at one of the numerous tour companies in town. The three I like the best are *Tamarindo EcoAdventure Center*, *Hightide Adventures* and *Iguana Surf Center*.

You can book pretty much everything at the EcoAdventure Center which is located on Tamarindo Blvd in the plaza across the street from the Diria Hotel – ask for Katrina, she is very helpful.

Another company that does absolutely everything is *Hightide Adventures* and I would recommend them especially for guided surf trips by ATV. They have a big center off of Calle Guanacaste and rent mopeds, dirtbikes, ATVs, surfboards, ect.

These companies offer day trips to many different spots including volcanoes, Cloud Forests and even Nicaragua. While the roads aren't great and it does take a lot of travel time, most of these day tours are well worth the trip!
